Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. To do so, all you are required to do is send us an informal notification via e-mail. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

In the event that data are processed on the basis of Art. 6 Sect. 1 lit. e or f GDPR, you have the right to at any time object to the processing of your personal data based on grounds arising from your unique situation. This also applies to any profiling based on these provisions. To determine the legal basis, on which any processing of data is based, please consult this Data Protection Declaration. If you log an objection, we will no longer process your affected personal data, unless we are in a position to present compelling protection worthy grounds for the processing of your data, that outweigh your interests, rights and freedoms or if the purpose of the processing is the claiming, exercising or defence of legal entitlements (objection pursuant to Art. 21 Sect. 1 GDPR). If your personal data is being processed in order to engage in direct advertising, you have the right to at any time object to the processing of your affected personal data for the purposes of such advertising. This also applies to profiling to the extent that it is affiliated with such direct advertising. If you object, your personal data will subsequently no longer be used for direct advertising purposes (objection pursuant to Art. 21 Sect. 2 GDPR).

Right to log a complaint with the competent supervisory agency

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where

they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

You have the right to demand that we hand over any data we automatically process on the basis of your consent or in order to fulfil a contract be handed over to you or a third party in a commonly used, machine readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

SSL and/or TLS encryption

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this website uses either an SSL or a TLS encryption programme. You can recognise an encrypted connection by checking whether the address line of the browser switches from "http://" to "https://" and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

Information about, blockage, rectification and eradication of data

Within the scope of the applicable statutory provisions, you have the right to at any time demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data. You may also have a right to have your data rectified, blocked or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time at the address provided in section "Information Required by Law."

Right to demand processing restrictions

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time at the address provided in section "Information Required by Law." The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the

restriction of the processing of your personal data instead of its eradication.

- If you have raised an objection pursuant to Art. 21 Sect. 1 GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

We herewith object to the use of contact information published in conjunction with the mandatory information to be provided in section "Information Required by Law" to send us promotional and information material that we have not expressly requested. 4. Social media

Social media plug-ins with Shariff

We do use plug-ins of social media networks on our website and its pages (e.g. Facebook, Twitter, Google+, Instagram, Pinterest, XING, LinkedIn, Tumblr). As a rule, you will be able to recognise these plug-ins because of the respective social media logos that appear. To warrant the protection of data on our website, we use these plug-ins only in combination with the so-called "Shariff" solution. This application prevents the plug-ins that have been integrated into our website from transferring data to the respective provider as soon as you enter our website.

A direct connection to the provider's server shall not be established until you have activated the respective plug-in by clicking on the affiliated button (which indicates your consent). As soon as you activate the plug-in, the respective provider receives the information that you have visited our website with your IP address. If you are simultaneously logged into your respective social media account (e.g. Facebook), the respective provider will be able to allocate your visit to our website to your user account.

The activation of the plug-in constitutes a declaration of consent as defined in Art. 6 Sect. 1 lit. a GDPR. You have the option to revoke this consent at any time, which shall affect all future transactions.

As a result, your IP address will be abbreviated by Google within the member states of the European Union or in other states that have ratified the Convention on the European Economic Area prior to its transmission to the United States. The full IP address will be transmitted to one of Google's servers in the United States and abbreviated there only in exceptional cases. On behalf of the operator of this website, Google shall use this information to analyse your use of this website to generate reports on website activities and to render other services to the operator of this website that are related to the use of the website and the Internet. The IP address transmitted in conjunction with Google Analytics from your browser shall not be merged with other data in Google's possession.

You have the option to deactivate this function at any time by making pertinent settings changes for advertising in your Google account or you can generally prohibit the recording of your data by Google Analytics as explained in section “Objection to the recording of data.”

Facebook Pixel

To measure our conversion rates, our website uses the visitor activity pixel of Facebook, Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA (“Facebook”).

For us as the operators of this website, the collected data is anonymous. We are not in a position to arrive at any conclusions as to the identity of users.
